

CODE OF FESTIVAL CONDUCT

The conduct of an ensemble and its individual members is the responsibility of the Music Director and chaperones at all times. It is each Director's responsibility to ensure that members of the Ensemble are aware of, and abide by, the Code of Festival Conduct.

ALL PARTICIPANTS IN THE CON BRIO WHISTLER MUSIC FESTIVAL AGREE TO:

- Demonstrate respect and tolerance for others at all times. In particular, no ensemble or individual member may interfere with another group's performance, i.e. by practicing, making noise or being disruptive.
- Conform to the laws of Canada, the Province of British Columbia and the Municipality of Whistler.

Participants, please remember that you represent the Festival, your school or organization and your community during your stay as guests at Whistler. Please take home wonderful memories and leave behind great impressions.

Any group or individual participant failing to adhere to the Code of Festival Conduct may be reported to Festival management. Problems and violations brought to the attention of the Festival management by any party may result in discipline or dismissal of an ensemble.
